The **Empowered to Connect Conference** is a two-day event presented by Show Hope and the Karyn Purvis Institute of Child Development. Featuring Trust-Based Relational Intervention® (TBRI) methods developed by Dr. Karyn Purvis and Dr. David Cross, this conference helps bring attachment and connection in families. Come experience practical teaching in a safe and supportive community as we work to equip families, churches, and professionals to better serve children and families impacted by adoption and foster care.

This simulcast is being HOSTED by Georgia Agape and live streamed from the Renaissance Church of Christ in Atlanta, GA. **You will only be able to view the conference at this location.** This conference will provide resources to parents and professionals on parenting all children, particularly those with histories of trauma. We strongly encourage you to join us for what is sure to be a blessing!

Part I of the simulcast will run from 8:30am-4:30pm on Friday, April 26th. Part II will run from 8:30am-4:30pm on Saturday, April 27th. Up to 11 Continuing Education Hours available for full conference attendance.
